DaySpring

INSPIRATIONAL STATIONERY & GIFTS

Who is DaySpring?

Two pastors. Two cups of coffee.
One challenging question posed that day in southern California: "What if we only had ten years to impact the Kingdom—what choices would we make?"

That question was the inception of what is now known as DaySpring.

It's a question that still rings throughout the halls of DaySpring world headquarters in Siloam Springs, Arkansas. Every day we ask ourselves, "What choices will we make to impact the Kingdom?"

At DaySpring, we are committed to helping people know and share God's love in fresh, true, and inspiring ways. If, through our efforts, people experience and express the life-changing message of God's love, we've fulfilled the vision born at that coffee shop all those years ago.

With her fresh approach to the familiar Bible story of two sisters from Bethany, Joanna shows how all of us—Marys and Marthas alike—can draw closer to Jesus: deepening our devotion, strengthening our service, and doing both with less stress and greater joy.

Throughout this journal, excerpts from Joanna Weaver's bestselling book, *Having a Mary Heart in a Martha World*, will encourage you to think and process through the journey of your life.

In a world where women can unfriend each other with the swipe of a finger, how do we find friendships that we can trust to last? Maybe by first becoming those kinds of lasting friends ourselves. www.incourage.me community manager Lisa-Jo Baker has learned from personal experience, as well as through hundreds of connections and conversations online, what it takes to make the friends—and be the friend—that lasts.
