FROM GRITS TO GRACE

In rural America, the Christian faith has been expressed for centuries through song and verse. Today, the gospel message remains near and dear to millions of believers. The ideas in this DayBrightener® remind us that God's grace is free, that His love endures forever, and that His faithfulness extends to all. The Bible is a book like no other. It is a gift from the Creator, an instruction book for life here on earth and a roadmap for life eternal. And it's a book of promises. When God makes a promise, He keeps it. No exceptions. They apply to every generation, to every nationality, and to every corner of the globe, including yours. If you're ready for a heaping helping of inspiration and truth, keep reading. When you do, you'll discover that old-time religion has never gone out of style...and never will.
