Wear your faith.

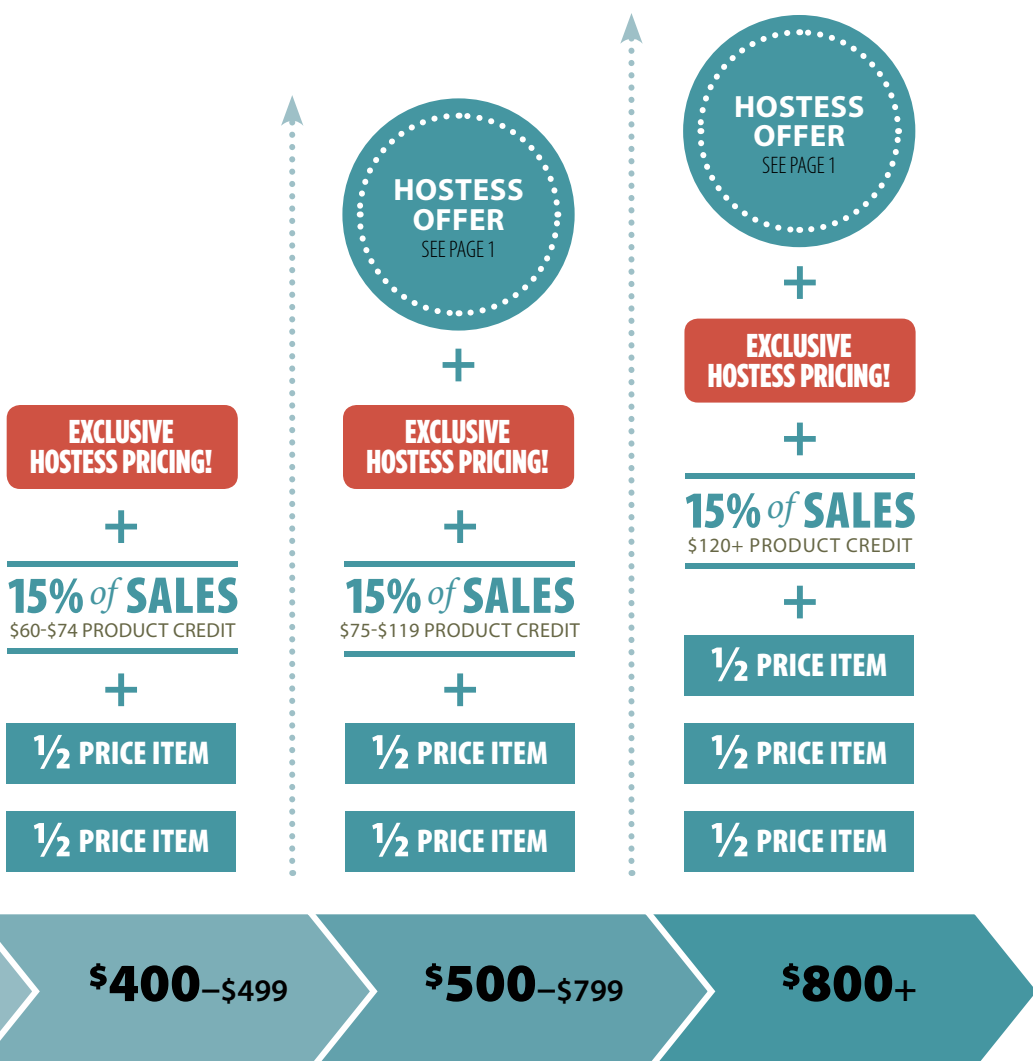

*In love. In kindness. In generosity. In hope.
Adorn your life with the eternal and put on reminders of God's grace in the now.*

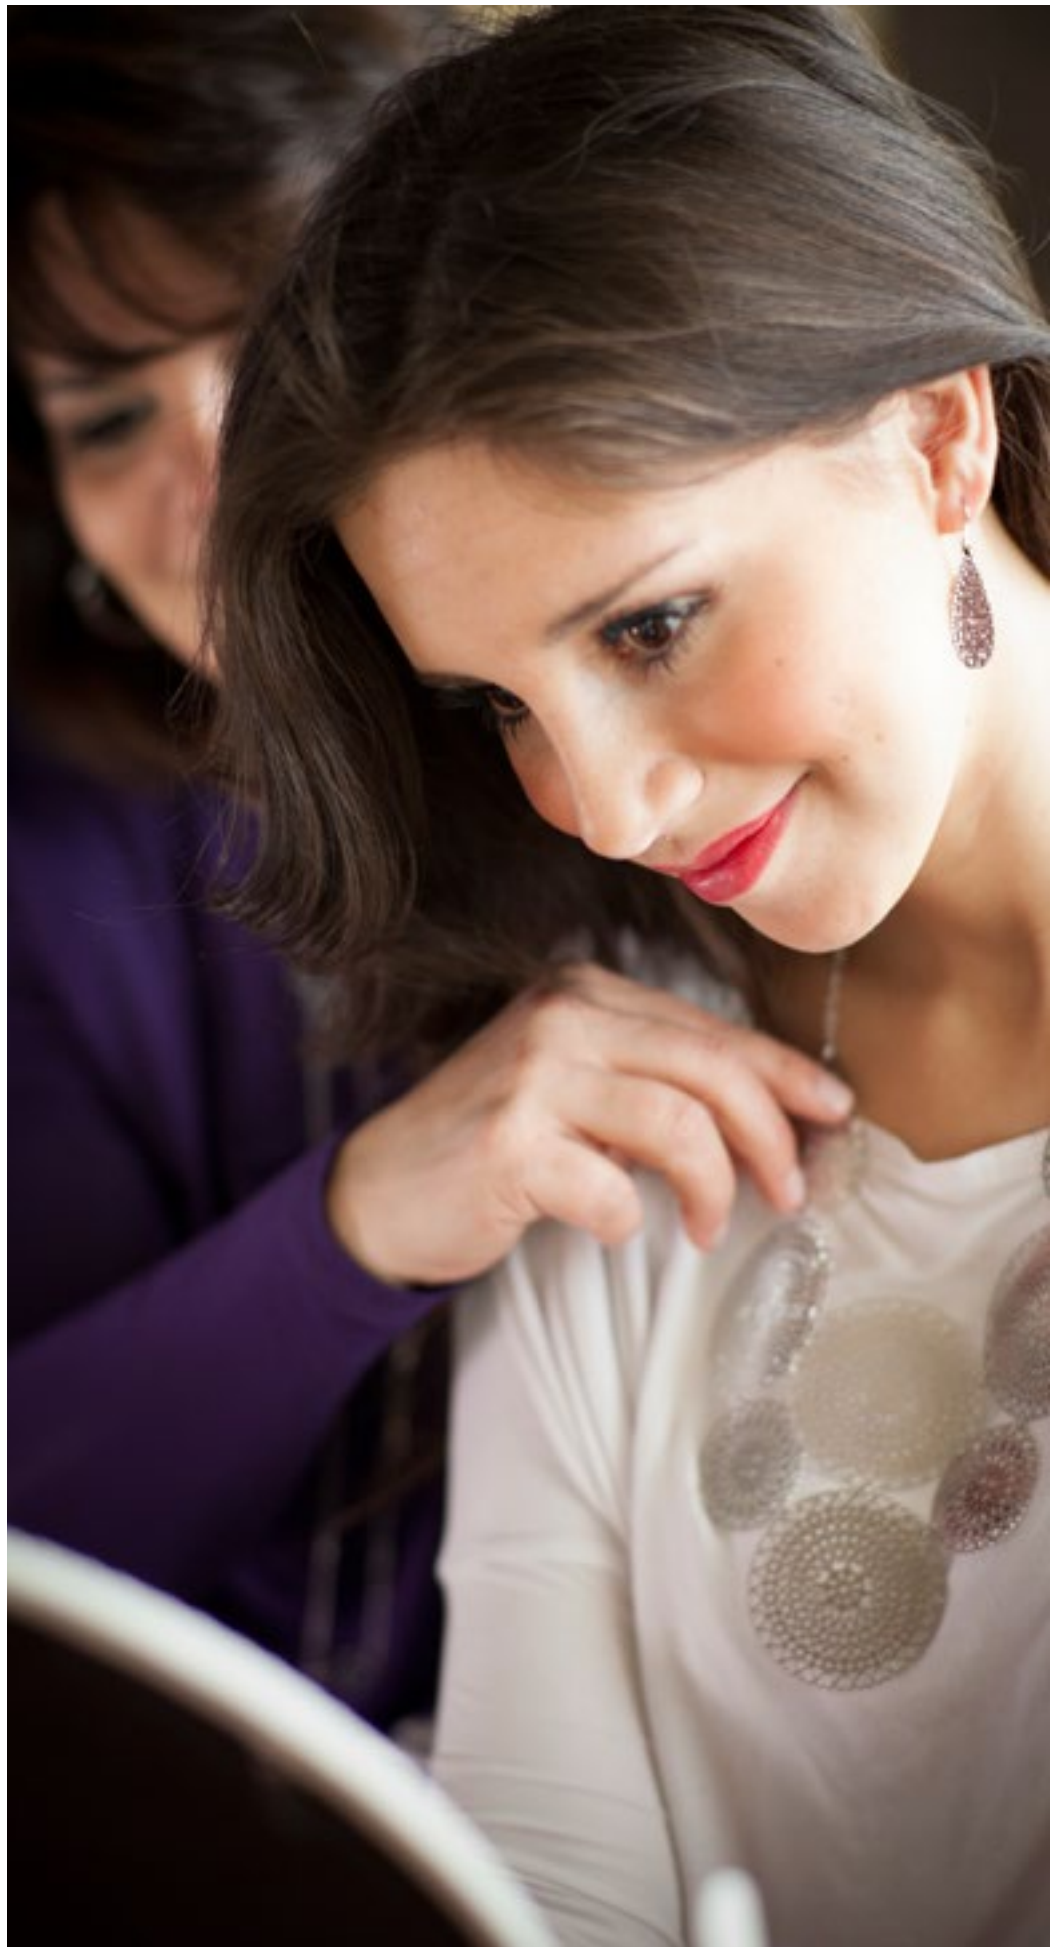

We are thrilled to introduce our new jewelry collection, just in time for summer. When we decided to create a new line of jewelry, we wanted it to be covered in prayer, inspired by the heart of God, and full of meaning. It is our hope, that in the pages that follow, you will be inspired to wear your faith.

Each piece is beautifully crafted and packaged with an enclosure card that expresses the heart and symbolism of the piece. We pray that it will inspire you, encourage you, remind you of His love and grace, and that it will enable you to wear your passion and share it with others.

Enjoy!

My why? I knew it was time for me to have my own business, but one that allowed me freedom to stay home with my sweet babies. I love how the Lord completely surprised me **WITH A BUSINESS THAT MAKES THIS POSSIBLE**, but is also a ministry!

We have been able to give to others, pay off debt, and do some extra traveling we would not have had the option to do before, like Disney World. **I NEVER DREAMED I WOULD HAVE THESE OPPORTUNITIES** and I am forever grateful that the Lord brought Blessings Unlimited into my life and I am doing it with two kids under 5! Love it!

It is the shape of selfless love and incredible humility. It is the inspiration of hope and the source of strength. It is the sacrifice that brought God's love to earth and grace to *life*. We wear the cross because we believe the promise: *God brought you alive—right along with Christ! All sins forgiven, the slate wiped clean.*

Life is beautiful. An amazing adventure given in moments to appreciate, savor, and love. In hearts surrendered to God life becomes a glorious unveiling of grace. Glimpses of the miraculous...days filled with goodness...seasons of quiet reflection and growth. This is a gift, this life we live, from the One who makes it all it's meant to be—and the absolute best it can be. — BONNIE JENSEN

My Why? I wanted to help out with the family income, but, I knew with two young children and a busy schedule a regular job wouldn't work for us. When I discovered Blessings Unlimited, **I KNEW IT WAS A PERFECT FIT FOR ME.** I believed in the product, so I knew I could make the business work for my family. I am able to schedule Gatherings around my family's busy life. The flexibility allows me to work my business when I want to work, and be with my family when they need me. In my Blessings Unlimited business **I AM INSPIRED BY THE WOMEN THAT I MEET.** My favorite moments are being at Gatherings and helping a Guest find the perfect product for her. I know our products are making a difference in the lives of women.

It's all about love. God. The cross. Our lives. Wear this heart around your neck and know the cross embedded in it is our inspiration. It is a symbol of selflessness, compassion, and strength—everything love asks of us, everything He's given us. We need only look to God and what He's done to know that love can change the world—because love has transformed us.
