

Savor the Joy Collection

The Lord has done great things for us, and we are filled with joy. PSALM 126:3 NIV

It is said that happiness is a choice. But pure, deep-seated, unspeakable joy is a sweet gift only God can give. A truly happy heart is one of the blessings of receiving that divine joy and choosing to walk in it every day and express it at every turn.

This collection of high-quality, ceramic tableware invites you to “Savor the Joy” in your heart and home with every happy moment and each delightful memory God gives to you and those you love. When we’re mindful of God’s presence and constant faithfulness, JOY is the harvest—and it’s sure to be an abundant one! Each piece is fired in a cream glaze with soft brown accents.
